Hey There Delilah

Plain White T's
2007

Hey there Delilah
What's it like in New York city?
Well I'm a thousand miles away
But girl tonight you look so pretty
Yes you do
Times Square can't shine as bright as you
I swear its true

Hey there Delilah
Don't you worry about the distance
I'm right there if you get lonely
Give this song another listen
Close your eyes
Listen to my voice it's my disguise
I'm by your side

*Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
What you do to me*

Hey there Delilah
I know times are getting hard
But just believe me girl
Someday I'll pay the bills with this guitar
We'll have it good
We'll have the life we knew we would
My word is good

Hey there Delilah
I've got so much left to say
If every simple song I wrote to you
Would take your breath away
I'd write it all
Even more in love with me you'd fall
We'd have it all

*Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me*

A thousand miles seems pretty far
But they've got planes and trains and cars
I'd walk to you if I had no other way
Our friends would all make fun of us
but we'll just laugh along because we know
That none of them have felt this way
Delilah I can promise you
That by the time we get through
The world will never ever be the same
And you're to blame

Hey there Delilah
You be good and don't you miss me
Two more years and you'll be done with school
And I'll be making history like I do
You'll know it's all because of you
We can do whatever we want to
Hey there Delilah here's to you
This one's for you

*Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
Oh it's what you do to me
What you do to me*

Home

Michael Buble
2005

Another summer day
Has come and gone away
In Paris and Rome
But I wanna go home
Mmmmmmm

Maybe surrounded by
A million people I
Still feel all alone
I just wanna go home
Oh, I miss you, you know

And I've been keeping all the letters that I wrote to you
Each one a line or two
"I'm fine baby, how are you?"
Well I would send them but I know that it's just not
enough
My words were cold and flat
And you deserve more than that

Another aeroplane
Another sunny place
I'm lucky I know
But I wanna go home
Mmmm, I've got to go home

Let me go home
I'm just too far from where you are
I wanna come home

And I feel just like I'm living someone else's life
It's like I just stepped outside
When everything was going right
And I know just why you could not
Come along with me
'Cause this was not your dream
But you always believed in me

Another winter day has come
And gone away
In even Paris and Rome
And I wanna go home
Let me go home

And I'm surrounded by
A million people I
Still feel all alone
Oh, let me go home
Oh, I miss you, you know

Let me go home
I've had my run
Baby, I'm done
I gotta go home
Let me go home
It will all be all right
I'll be home tonight
I'm coming back home

Long Way Round

Stereophonics
2005

Remember me my love, I'm the one you're dreaming of.
Going for a ride, I'll keep you warm inside.
I'm gonna roll up the sidewalk, I'm gonna tear up the
ground.
Comin' round to meet you, The long way round.

Bah, Bah – rah – rah – rah! etc.

Sooner or later, I'll get me off this track.
Gotta do what it is that I do and then I'm – coming back.
Got sun in my face, sleeping rough on the road.
I'll tell you all about it, when I get home.
Gonna roll up the sidewalk, I'm gonna tear up the
ground.
Comin' round to meet you, The long way round.

Bah, Bah – rah – rah – rah! etc.
