AGILE WEEK – BLUE TEAM

Activities underway

Many activities are underway as State Library prepare for reopening additional spaces. This morning we participated in the Queensland Cultural Centre Incident Management Team COVID19 Desktop Exercise led by Arts Queensland. The exercise included testing State Library's response to different scenarios.

As part of the COVID-Safe Site Plan approval process, later this week Queensland Health and Workplace Health and Safety Queensland will inspect State Library and Anzac Square Memorial Galleries to ensure we meet the standards required.
