

COVID-19 update

The health and safety of staff and clients is our top priority

15 May 2020

COVIDSafe app

The [COVIDSafe app](#) speeds up contacting people exposed to coronavirus and will be used to develop better information and response from the government.

The COVIDSafe app is completely voluntary. Downloading the app is something you can do to protect you, your family and friends and save the lives of other Australians. The more Australians connect to the COVIDSafe app, the quicker we can find the virus.

A sneak peek at the Infozone

Here is a sneak peek at the Infozone. Staff have been busy preparing the area for Monday, when up to ten clients can access the Infozone to use the Internet.

Thank you to all staff who have worked together this week to have us ready to welcome clients back to State Library!

Enjoy your weekend!
