

COVID-19 update

The health and safety of staff and clients is our top priority

22 April 2020

One very clean Library

In the last week State Library has undergone a deep clean. From furniture in public areas, carpet, furnishings and fittings, internal glass and bathrooms no surface was left untouched. Many hours of hard work means the Library is cleaner than ever.

For those staff onsite, disinfectant surface spray is available in all kitchenettes to sanitise your workstations as required.

Wellness Survey closes today

Help us understand how you are coping with the changes to your work environment by completing the [Wellness Survey](#) by close of business today. Your responses will help identify and address areas of concern. All responses are anonymous unless you request to be contacted. Thanks to everyone who has already completed the survey.
