

## COVID-19 update

The health and safety of staff and clients is our top priority

### **State Library closed to public from noon today**

This closure includes South Bank, The Edge, Anzac Square Memorial Galleries and the Library Cafe.

The Welcome Desk will no longer be staffed by Visitor and Information Services staff. A security officer will however still be on duty.

While State Library is closed to the public, it remains open to staff practicing social distancing and under the Agile Teams arrangement.

The public have been informed of the closure via our website <https://www.slq.qld.gov.au/alerts> and social media channels.

At this stage we do not know how long this closure will last but visitors have been encouraged to take advantage of our significant online offering during this difficult period. We will continue to develop and communicate our online services.

### **Lunchtime**

With all the cafes in the Cultural Centre now closed, don't forget to bring your lunch from home.

### **Don't overload RDWeb**

Try to use RDWeb as little as possible.

Only login to RDWeb to do certain tasks (e.g. accessing shared folders, Aurion and SliQnet).

Check the full list on the [staff updates page](#).

Use a browser or other Office applications outside of RDWeb for all other activity.

Check out our 'How to' guides prepared by ICT also available in our staff updates page.

If you have requested access to RDWeb please be patient as ICT Services are working through a large number of requests.

## **Temporary appointments**

We have colleagues who have a temporary contract that expires before or on 30 June 2020. These staff play a critical role in the delivery of our services and their contribution is greatly valued. Today, we will make arrangements to extend all temporary appointments until 30 June 2020.

## **Keep updated**

- Regular [staff updates](#) on COVID-19
- The general public can keep updated on our [website](#).
