### AGILE WEEK – GREEN TEAM

#### COVID-Safe Site Plan

Version 7 of our COVID-Safe Site Plan [is now available online](#). We will continue to work closely with Queensland Health as we progress plans to safely reopen our spaces.

#### Reopening spaces on Level 4

It seems people are keen to get back to the collections! So far we have 13 bookings for the John Oxley Library Reading Room and 22 bookings for the Heritage Collections area throughout the day when we reopen on Monday. Processes are in place to ensure the safe handling of collection items, including a period of quarantine after an item has been accessed by a client.

More work is needed to prepare the Philip Bacon Heritage Gallery for reopening. We will let you know once a date is set.

#### Visitors to The Edge

Since The Edge reopened, we have had more than 600 bookings from 291 unique users.

#### Returning to the office

There is a lot involved with ensuring a safe transition back to the office. We are continuing to work through our approach and will provide further details once confirmed.
