SL Flu Vaccinations Vouchers Register Now!

Protect yourself, your co-workers, and the community this winter

For the past few years State Library has offered staff a free flu vaccination program through SMG Health.

Due to the current situation with the COVID-19 virus we will not be running an on-site clinic at South Bank or Cannon Hill, but instead we are offering a flu vaccination voucher at no cost for our staff to take to a participating pharmacy.

Obtaining a voucher - it's an easy process:

- 1. Read the "How to Register for a Voucher Online" pdf attached with this email
- 2. Access the service through the State Library SMG Health link https://statelib.smghealth.net.au
- use Google Chrome or Mozilla Firefox for the best user experience
- 3. Select your most convenient participating pharmacy and you will receive a unique voucher one voucher per staff member, and you can only download once.
- 4. A copy of the voucher will be emailed to you together with instructions of how to claim your voucher.

People Leaders with staff who don't have access to State Library emails, are requested to forward this message to personal email address.

If you have any questions or need assistance contact SMG Health on <u>bookings@smghealth.com.au</u> or phone 1300 657 644 during business hours.
