

TODAY'S EVENT PROGRAM

SAT 5 OCT | 10AM-2PM

ALL DAY DROP IN ACTIVITIES

Old-school badge making

Knowledge Walk | 8+

Come and make yourself a cool custom badge!

I heard it on the radio showcase

kuril dhagun | All ages

Read, colour in and create chatterboxes in kuril dhagun's childrens nook and visit the showcase featuring local Indigenous radio station 98.9fm.

Behind the Lines exhibition

slq Gallery | All ages

Get competitive with our political card game, or try your hand at sketching your self-portrait from a distorted mirror. Bring along your family and friends to debate, sketch and play.

32,000 frames per second

The Edge Forecourt | 8+

Come press the big red button to see things break, splash and splat on a super highspeed camera. No experience required.

Cardboard kaiju

The Edge Auditorium | 8+

Come and defend Brisbane against the Kaiju in this collaborative board game experience.

Intergalactic cubby

The Edge Auditorium | All ages

Encourage your children to become the engineers that lead the imagining and building of cubbies on an alternative planet.

80 Hz

The Edge | All ages

Experience 10 soundscapes that have been created using digital tools to translate images into sound.

Quiver augmented reality

kuril dhagun | All ages

Transform your colouring in and learn local Aboriginal animal names through AR with kuril dhagun.

Words in Spring: reading and writing party

Knowledge Walk | All ages

Find a comfy spot, indulge in some of Queensland's award-winning literature, or start writing your own story.

DIY chainmail

The Edge River Lounge | 12+

Craft your very own chainmail using centuries' old techniques.

Vinyl sticker making

The Edge River Lounge | 8+

Find a memorable meme, then learn how to use a vinyl cutter so you can hang it on your wall at home.

Laser-cut badge

The Edge | 8+

Watch the laser cutter in action and make your own personalised badge.

Design and create a must-have

The Edge | All ages

Create a visual art installation using orange recycled materials from Reverse Garbage.

Social gaming lounge

The Edge | 12+

The League of Extraordinary Gamers bring their vast selection of board games to play and explore.

3D printing beads

The Edge | 12+

Get a crash course in designing for 3D printers and create your own beads for a necklace or small keychain to take home.

Precious plastics

The Edge | 12+

See clever plastic recycling in action. Feed our shredder and learn what you can do with this precious resource.

Zine making

The Edge | 12+

Bring your ideas and we'll provide the rest. Work together with our zine-enthusiasts to create pages for Fun Palace 2019's very own zine.
