Story Box Library

Story Box Library provides a vibrant, interactive experience via a diverse range of everyday Australian storytellers.

Access

1. Go to https://storyboxlibrary.com.au/libraries
   Select LIBRARY: State Library of Queensland
2. Enter your RLQ library card number on the page that says Public library card number.

Welcome, State Library of Queensland

LOG IN

3. Use Story Box Library on any hand held device with an Internet connection (iPad, Tablet, Smartphone). No app is available.
4. Story Box Library offers **live streaming**. Streaming means watching the videos in 'real time' instead of downloading a file to your computer and watching it later.
5. Browsers and media supported include Chrome, Internet Explorer, Firefox, Safari, iOS and Android.

Find

Browse the Storybox Library website or search by age group, theme, author/illustrator or reader/narrator.

View

- Expand each video to view the story on the full screen. Ideal for projection.
- Create a **Playqueue** to view several videos in a sequence

Hints

Writers and illustrators talk about how picture books are created in **Short films.**

Help

If your internet connection is slow, or is unable to support video streaming, then you may have a problem using Storybox Library. Report any issue via Tech Support on the Storybox Library website.
